

**BPR**  
**Active List Initiative #2**

Revised 17 Mar 03

**Title:** FMS Surcharges

**Description of Initiative:** Determine the appropriate FMS surcharges: to include rate(s) validation, scope, process involved with each, and resulting policy improvements.

**Required Policy Changes/Approach** TBD. If any changes are recommended will need to compare to CEMIS requirements to make any appropriate changes.

**Approved Actions:** FMS Surcharge Assessment Team established in FY 01. Meetings continue. Completed CAS improvements; policy package issued Jun 02. Next surcharges being addressed: Packing, Crating and Handling (PC&H), and transportation. Meetings will resume 7 May 03. Completed all CEMIS efforts for all surcharges.

**Responsible Champion:** DSCA Comptroller (Mr. David

**Anticipated Benefits:** Greater transparency, streamlining and potential cost savings to the international customer.
